

Opening number rewritten lyrics

ALL

Be our guest,
Be our guest
Come and help us along our quest
Grab your magnifying glass, inspector

INSPECTORS

We'll provide the rest

ALL

You'll want more,
That we're sure.
Why, of course we'll never bore.

Look over there, Mother Goose.
Just make sure, she's not let loose!

She can sing,
She can dance.

MOTHER GOOSE

I can put you in a trance.

ALL

But secretly she is not the best.
Go on and take a seat.
Watch our journey complete and
Be our guest
Be our guest
Be our guest

Captain Hook
What a crook

Just glance over and take a look!

CAPTIAN HOOK

You'll certainly not find me in no book.

ALL

It's the Hatter,
He loves to chatter
Be careful he's known to flatter

HATTER

No one's gloomy or complaining
Because my hatting so entertaining

ALL

We tell jokes
Sing in pitch
All of this without a glitch
In perfect tune without that wicked witch
Come on and take a seat
You've won your own free pass
To be out guest
If you're stressed
It's joining in that we suggest
Be our guest
Be our guest
Be our guest!
