Personal Statement

I am an outgoing and courteous young adult, who is currently looking for part time work while I am at University. I am a very polite and well-spoken young individual, who enjoys socialising and meeting new people. I supply a hands on approach to any task I am faced with and enjoy challenges in any form. From a young age I have played football which demonstrates my ability to work in a team and make conscious decisions when it is required. Also, this means that I will have no trouble in any physical activities. I believe it is very important to display a very professional appearance, which is why I take care in my appearance to try and make a good initial impression.

Key Skills

Hobbies & Interests

I love to go out and socialize and meet new people. As I have previously mentioned, I am a very keen football player and have played for 8 years, being a captain for 3 of these. This shows I can both give and take orders. I am also very eager to try new activities and get involved with new things.
