The Marketing Team have put together a collection of header/banner images for you to select from and use on the homepage of your Canvas courses. The images are stored in Canvas Commons and have tags to enable you to locate them. They are available to all Plymouth Marjon rather than Public (Any Canvas Commons user)

#### Browse and import a banner image

- 1. Open your Canvas course homepage
- 2. Click Import from Commons from the menu on the right side of your homepage. *If you can't see the menu, click 'Home' and it will appear.*

Module Content	
	Q. Search Enter at least 3 characters to search

Before clicking Save, the image needs to be made accessible and responsive.

#### Make the image accessible and responsive

1. Click the image and select image options

$\underline{A} \sim \underline{\mathscr{P}} \sim    \mathbf{T}^2 \sim   $	&∽ ⊻∽ ₽;,∨
Image options	[]
and and	
	_

- 2. Alt text is not required so please select 'decorative image'
- 3. Select percentage as dimension type. This will make the image responsive and it will resize according to the device it is being accessed on.
