Turnitin - How to download your graded assignments

This short guide takes you through the steps required to download your graded assignments.

Accessing graded assignments

1. Login to Canvas and go to your module course page
2. Click the Turnitin assignment to open the submission inbox
3. Click on the title of your submitted file to open it in the Turnitin Feedback Studio
4. Click on the Feedback bubble to activate the 'Grading' layer.

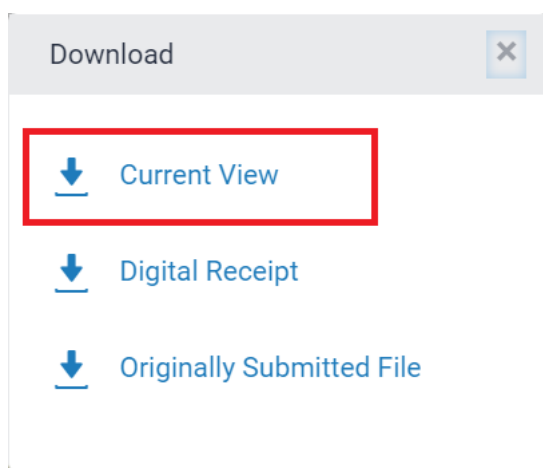

Saving your graded assignment

1. Click the arrow icon to download.

2. Select 'Current View' option

3. This will download a PDF of your graded assignment (including grade and feedback)
4. Open your Downloads folder, locate your graded assignment and copy/paste to a suitable folder.
