

Your feedback is important to us

This form should be completed by the Placement Supervisor at the end of the student's placement. One form needs to be completed for each student completing a placement. The feedback you provide will be used to inform the student's assessment.

The student is permitted to return completed forms to their UPT. However, if you would rather feedback can be emailed or posted to Philippa Elford:

When answering the following questions you may like to think about the student's capability to: follow instructions, communicate (written/verbal), use initiative, solve problems, be creative/innovative, receive and act on feedback. You may also wish to consider the student's subject knowledge, understanding, commitment and professionalism.

What are the student's strengths?

Confident when working with groups of students and staff, on time and punctual, appropriately dressed, very helpful with tasks around the department, taught some episodes within lessons

What are the student's weaknesses?

Needs to show more initiative to complete tasks instead of being asked to complete something, develop subject knowledge across a variety of sports to ensure you are confident when teaching full lessons

What area(s) of professional development would you suggest that the student focuses on in the next 12 months?

More experience in school placements, building up a rapport with particular groups of students to be able to teach full lessons and show progress over time, CPD courses on weaker sports to enhance subject knowledge

Other comments (if printing please continue on a separate sheet if necessary)

Would you be prepared to offer a placement, at a convenient time, in the future?
