I am a confident, self-motivated and resilient student studying a Football Development and Coaching degree at Plymouth Marjon University. I am an experienced and qualified football coach who is keen to gain more experience and qualifications. I have a full current clean driving license and often drive most of the time.

Education:

2017 – 2020 – Plymouth Marjon University, Football Development and Coaching:

- Football in the Community
- Sport Coaching and the Coaching Process
- Coaching and Teaching: Process & Practice
- Coaching Theory and Practice
- Sport Marketing

2013 – 2015 – Post 16:

- ICT
- Sport Studies

2008 – 2013 – Eggbuckland Community College

- 13 GCSEs from A – C including Maths, Science and English

Awards/Certificates:

- FA Level 1 (through the Devon FA)
- Fitness Kickboxing Certificate (through Dan Sobey)
- DBS Check; Plymouth Marjon University and Plymouth Argyle Community Trust
- Level 2 Award in Health and Safety
- Level 2 Award in Food Safety in Catering
- Leadership Level 2 – Part of sport studies

Employment:

- **February 2018 – Present, Plymouth Argyle Community Trust** – As a coach for the Trust, I lead and assist multi-skills, football and sometimes other sports to primary schools. I always have to make sure that the activities are fun, engaging and a form of willingness for students to learn. When I am at a after school club, I demonstrate a smiling attitude, motivation and leadership.
- **September 2019 – Present, Amazon Flex (Self Employed)** – As a delivery driver, I often go on routes that I never been on and this encourages me to be organised and to problem-solve the routes. Before any shift, I have to make sure that I have all the parcels for the day.
- **February 2016 – September 2019, McDonald's Marsh Mills, Crewmember (Fully Flexible)** – I worked as a Crewmember at McDonalds. Over the past 3 years, I considered myself a loyal employee for the company. Having worked in a fast-paced environment where often problem-solving was a must, developed further my communication skills with colleagues and customers and my own preference of being respectful to customers by producing highly satisfied customer service.
- **November 2014 – February 2015, Maplin Electronics Plymouth, Sales Advisor (Part-Time; temporary contract for 3 months)** – I worked as a Sale's Advisor at Maplin Electronics Plymouth. I was required to work under-pressure at times, my electronic product knowledge improved as well as my problem-solving skills.

Voluntary Work:

- **(Feburary 2019 – Present) Plymouth Marjon Football Club U13s** – Currently, I am volunteering my services by leading and assisting with the team every Tuesday. The skills that I demonstrate are leadership

qualities, problem-solving and organisation. The learning process is often a challenge and able to control the manner.

- **(April 2018 – December 2018) Plymouth Marjon Football Club U14s** – I volunteered my services that developed and supported the team. The attributes and attitudes that I focused on were; leadership qualities, loyalty, enthusiasm and willing to learn. Every week was different, due to the player's attitudes and performances, which makes the learning process a challenge but an anticipating atmosphere.
- **(September 2013 – July 2015) Sport Studies** – I attended many different Eggbuckland Community College feeder schools and assisted with basic Multi skills PE group. I have led sessions which consisted of me delivering a set of different components of fitness which were balance, coordination and speed. This started to develop my leadership qualities.

Skills:

Computing – I am a competent user of Microsoft Word, PowerPoint, Outlook and Excel. I am quick at learning new ICT software and enjoy the challenge.

Leadership – I have a Level 2 qualification in Sport's Leadership. I have shown Leadership in my last job and in A Levels – where I have led a session to the students and developed their skills thoroughly by informing them key aspects of their game to change and focus on. At McDonalds I used man management and used my own experience to give new employees what to do and how to do it – which they took that to their own advantage.

Coaching – I have a Devon FA Football Coaching Level 1 qualification. This will help me to get a coaching job role, as well as develop my experience by getting into a football club or volunteer at a local school. I am determined to achieve my Level 2 qualification.

Interests:

- I create Drone videos and montages.
- I do weights to improve my upper body strength.
- I often go out to take pictures as a hobby and try to go new places most of the time.
